

North Wales Potential Report

Saturday 20th February 2021

What a difference a year makes! The big crowds and the usual hustle and bustle may not be present but this didn't deter from the excitement of the forthcoming sale.

The Covid-19 compliant ring specially set up for the day in the Main Hall ensured that everybody was safe. For those not able to be present it was available live on Facebook for them to watch from the comfort of their home with a 'cuppa' and purchase via telephone bids.

With 9 Steers and 19 Heifers forward the quality on offer was plentiful. No judging this year but the parade presented an opportunity for prospective buyers to 'eye up' the cattle on offer.

Highest price of the day went to D J Lloyd & Co, Cefn Barrach for a 9 month Limousin heifer (lot 28) which sold for £3750 and purchased by Brian Griffiths, Lower Penygelly, Newtown. This is the third year running the Lloyd family have achieved top price.

Not far behind was PJ & TA Jones, Ty Isaf, Builth Wells with a 9 month Limousin heifer (lot 9) which sold for £3700 to E&S Evans, Pant Coch, Tal y Bont.

JM & AM Lewis, Pentwyn achieved £2900 with their 7 month Limousin heifer (lot 7) and went to a new home with S A May, Sheltwood Farm, Worcester. Their 7 month British Blue heifer (lot 6) achieved £2750 and was purchased by S E Sellers, Thorpe Tilney Farm, Lincoln. The Lewis family achieved top price steer (lot 5) with an 8 month Limousin, selling for £2100 to D Thomas, Dol Coed, Lampeter.

TW Price & WM Morgan, Ty Rosser, Llanafan achieved £2800 with their 10 month Limousin heifer (lot 25) which was purchased by B E Williams, Station Court, Sennybridge.

Overall average £1980.87

Heifer average £2243.33

Steer average £1488.75

Considering the challenges faced and the uncertainty with Covid and summer shows, the sale proved very successful.

The Committee and the Auctioneers would like to thank all vendors, sponsors and purchasers for ensuring the sale was a big success.
